Events

Jackrabbit Distance Challenge

Jackrabbits and their parent or coach are invited to ski the 3km Steady roll trail as many times as they want, between 11 am and 4:30pm

Collect a stamp for each loop completed and wow us all with how far you can ski.

This event is not timed, so you can take break, have something to eat, and then head back out again when those skis just feel the need to go again.

All participants will receive a certificate and après ski meal

The Loppet

You can ski either Skate or Classic style.

Choose a distance, starting at 6km and progressing to 12, 24, 28 and 42kms.

The trails are world class and the views spectacular.

This event is timed but don't let that get in the way of your enjoyment.

All participants receive a certificate and are eligible for draw prizes.

The "NEW "42 K Club

The new outer loop provides skiers with lots of climb.

It is 14 kms. If you ski it 3 times you will have skied a marathon.

Lopeteers completing this course have our respect and admiration and are honored by having their name included on the new "42K Club" plaque.
